## DEATH REGISTRATON MADE EASY

This training module is designed to train physicians and their office staff on how to accurately complete a death certificate.

Learn about electronic updates and more!

### Benefits

- Upon completing this module you will know what information goes where and why this information is needed.
- Our goal is to reduce the number of death certificates which must be returned to physicians for correction.
- Getting it right the first time will save you time during your busy day.

Help us to help you by getting your staff properly trained today.

### How do I access this module?

Log on to <https://ky.train.org>

You will need a user login and password. One can be created by clicking on new account and filling in the demographic data required.

Enter course # 1011507

For assistance contact Training Branch Staff at 502-564-4990 or e-mail Hardin Stevens at [hardin.stevens@ky.gov](mailto:hardin.stevens@ky.gov)

### HOW MUCH TIME WILL IT TAKE?
